

SPEECH & MIND

Build Leaders. Strengthen Teams. Drive Growth.

We deliver research-backed training and coaching that transforms how leaders lead, teams collaborate, and organizations perform.

ABOUT DR. SUMEYRA OZTURK

Dr. Sumeyra Ozturk holds a PhD in Psychology specializing in nonverbal communication and completed executive coaching training at Harvard. With over a decade of experience, she works with executives and teams to strengthen how they communicate, lead, and perform under pressure.

Her work sits at the intersection of performance psychology and neuroscience, translating research into practical strategies for high-stakes communication. A published researcher and featured expert on CNN, Dr. Ozturk partners with organizations globally to strengthen leadership, team communication, and performance.
